

**IMAGINING & INVESTING IN PIQUA  
"iPiqua Fund"  
FUNDRAISING CAMPAIGN**

We agree to donate to the iPiqua Fund the sum of \$ \_\_\_\_\_.

The iPiqua Partnership mission is to accelerate Piqua's renaissance through targeted capital investments in catalytic real estate development or redevelopment projects in the City's downtown and surrounding neighborhoods. The intended results of the Partnership's investments will advance projects that accomplish the community growth and redevelopment goals of the Plan It Piqua 2007 Comprehensive Plan Update and to effectively implement the strategies and recommendations of subsequent planning documents and projects that focus on growth and redevelopment opportunities that:

- Promote the redevelopment and reuse of vacant or underutilized industrial, institutional, and manufacturing buildings and real estate to retain and attract businesses, jobs, services, and economic opportunities for Piqua residents.
- Enhance the downtown area, major entryways, and public or private places of interest within the community to preserve and enrich Piqua's small town character and sense of community pride.
- Encourage downtown building renovations and infill development that provide quality retail, office, dining, entertainment, and lodging opportunities for residents and visitors.
- Renovate vacant downtown building spaces and existing structures in surrounding neighborhoods to offer a diverse mix of living unit types and price ranges that excite the repopulation of the downtown core.
